Subject: 300 Log deletions

Mr. Kenneth U. Ayers
Kaiser Permanente
1800 Harrison 11th Floor
Oakland CA 94612-3416

Dear Mr. Ayers:

This is in response to your letter about deleting line entries from an OSHA 300 log. There is no prohibition to removing a case entry from the log once it is determined to be non-recordable.

For further information contact us at 378-3272. You are also invited to see the OR-OSHA pages on the Internet at <http://www.orosha.org/>
