Subject: Workers' Compensation Lawbook

The Workers' Compensation Division (WCD) will no longer be publishing hard copies of the Workers' Compensation Lawbook, "Laws relating to workers' compensation and safe employment in Oregon." This service is being provided by the Legislative Council Committee, which is now publishing a book, "Labor, Employment and Workers' Compensation Laws of Oregon." It is more comprehensive than the lawbook previously published by WCD and is printed in a smaller, user-friendly format. The Legislative Council will be the sole distributor of all state law books.

To provide you with the best service possible, you have the following options:

- Visit WCD's Web site at www.wcd.oregon.gov, click on laws and rules, and download or print a copy of the combined chapters 656 and 654. (This option will be available in mid to late June).
- Visit the Legislative Council's Web site (www.lc.state.or.us), which is linked from the WCD laws and rules page. On the Legislative Council site, click on Oregon laws, and fill out an order form to purchase the hardbound copy. Mail or fax the form to the Legislative Council office. The cost of the book is \$25.
- Purchase a loose-leaf copy of Chapter 656 from the Legislative Council office for \$5.
- Download or print Chapter 656 from the Legislative Council Web site for free.
